This Cookie Policy explains how UNIOSO s.r.o. (UNIOSO) use cookies and similar technologies to recognise you when you visit our Websites (www.orgis.cz, www.odoois.com, addaris.com). It explains what these technologies are and why we use them, as well as your rights to control our use of them.

What are cookies?

A cookie is a small file containing a string of characters that is sent to your computer when you visit a website. When you visit the site again, the cookie allows that site to recognize your browser. Cookies may store user preferences and other information.

Cookies provide a convenience feature to save you time, or tell the Web server that you have returned to a specific page.

Cookies set by the website owner (in this case, UNIOSO) are called "first party cookies". Cookies set by parties other than the website owner are called "third party cookies". Third party cookies enable third party features or functionality to be provided on or through the website (e.g. like advertising, interactive content and analytics). The parties that set these third party cookies can recognise your computer both when it visits the website in question and also when it visits certain other websites.

Why do we use cookies?

We use first party and third party cookies for several reasons. Some cookies are required for technical reasons in order for our Websites to operate, and we refer to these as "essential" or "strictly necessary" cookies. Other cookies also enable us to track and target the interests of our users to enhance the experience on our Websites. For example, UNIOSO keeps track of the Websites in order to determine what portion of the Website is the most popular or most used. This data is used to deliver customized content and promotions within the Website to customers whose behavior indicates that they are interested in a particular subject area. Third parties serve cookies through our Websites for advertising, analytics and other purposes. This is described in more detail below.

What types of cookies do we use and how do we use them?

The specific types of first and third party cookies served through our Websites and the purposes they perform. Cookies include:

Essential website cookies: These cookies are strictly necessary to provide you with services available through our Websites.

Performance and functionality cookies: These cookies are used to enhance the performance and functionality of our Websites but are non-essential to their use. However, without these cookies, certain functionality may become unavailable.

Analytics and customisation cookies: These cookies collect information that is used either in aggregate form to help us understand how our Websites are being used or how effective our marketing campaigns are, or to help us customise our Websites for you.

Advertising cookies: These cookies are used to make advertising messages more relevant to you. They perform functions like preventing the same ad from continuously reappearing, ensuring that ads are properly displayed for advertisers, and in some cases selecting advertisements that are based on your interests.

Social networking cookies: These cookies are used to enable you to share pages and content that you find interesting on our Websites through third party social networking and other websites. These cookies may also be used for advertising purposes too.

How can I control cookies?

You have the right to decide whether to accept or reject cookies. You can exercise your cookie preferences by clicking on the appropriate opt-out links provided below.

You can set or amend your web browser controls to accept or refuse cookies. If you choose to reject cookies, you may still use our Websites though your access to some functionality and areas of our Websites may be restricted. As the means by which you can refuse cookies through your web browser controls vary from browser-to-browser, you should visit your browser's help menu for more information.

In addition, most advertising networks offer you a way to opt out of targeted advertising. If you would like to find out more information, please visit http://www.aboutads.info/choices/ or http://www.youronlinechoices.com. You may opt out by clicking here: http://optout.aboutads.info/ or http://optout.networkadvertising.org/ (or if located in the European Union, by clicking here: http://www.youronlinechoices.eu/). Please note this does not opt you out of being served advertising. You will continue to receive generic advertisements.

Essential website cookies: Because these cookies are strictly necessary to deliver the Websites to you, you cannot refuse them. You can block or delete them by changing your browser settings however, as described above.

How often will you update this Cookie Policy?

We may update this Cookie Policy from time to time in order to reflect, for example, changes to the cookies we use or for other operational, legal or regulatory reasons. We will notify you of any material changes to this Cookie Policy prior to the changes becoming effective by posting the changes on this page. Therefore re-visit this Cookie Policy regularly to stay informed about our use of cookies and related technologies.

The date at the top of this Cookie Policy indicates when it was last updated.

Where can I get further information?

If you have any questions about our use of cookies or other technologies, please email us at privacy@orgis.cz
